Next Steps

You've completed Learn jQuery: Effects and Event Handling! What's next?

Congratulations, you've successfully completed the Learn jQuery: Effects and Event Handling course! You've learned how to trigger jQuery effects when users interact with elements on the web page using event handlers.

Your learning journey into the jQuery library isn't over yet! Here is our roadmap to mastering jQuery:

- [Learn jQuery: Fundamentals](#)
- [Learn jQuery: Effects and Event Handling](#) <– Completed!
- [Learn jQuery: Styles](#) <– Up next!
- [Learn jQuery: DOM Traversing](#)

Once again, congratulations on finishing the Learn jQuery: Effects and Event Handling course! We are excited to see what you accomplish next.
